Steele Rubber Products Announces

Door Weatherstrips

1959 - 1960 GM Hardtop Sedans

Steele Rubber Products Inc. announces they have available the main door weatherstrips for the 1959 and 1960 Buick LeSabre & Invicta, Chevrolet Impala & BelAir, Olds Dynamic & Super 88's and Pontiac 4 door hardtop sedans. Pairs are available for either the front or rear doors. These door seals are made specifically for the GM 4 door hardtop sedans with the proper spacing of nylon pins for hole alignment and molded ends heat vulcanized into the design. These door seals are replicated from an original set and molded from the highest quality heat and ozone-resistant rubber compounds to ensure proper fit and appearance. This close attention to detail ensures their parts fit correctly. And Steele offers a 100% money-back guarantee and easy return policies if a customer is not satisfied for any reason so you can rest assured they stand behind their products.
