Steele Rubber Products Announces

New Taillight Housing to Body Pad for 1951-52 Buick Series 40

Steele Rubber Products Inc. announces new taillight housing to body pad for 1951-52 Buick Series 40 Models. These much needed parts are now available to protect your vehicle against the noise and weather. The seals are completely molded like the original and replace factory #1342700 and #5940008. Our weatherstrips have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
