Steele Rubber Products Announces

New Lock Pillar Filler for 1971-72 Dodge Charger and Coronet

Steele Rubber Products Inc. announces new lock pillar filler for 1971-72 Dodge Charger and Coronet. These much needed parts are now available to protect your vehicle against the noise and weather. The seals are completely molded like the original and replace factory #3504326-7. The fillers fit 1971-72 Charger and Coronet 2 door hardtops and fastbacks and 1972 2 door sedans. Our weatherstrips have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
