Steele Rubber Products Announces

## **New Roof Rail Seals for 1964-65 Lincoln Continentals**

Steele Rubber Products Inc. announces new roof rail seals for 1964-65 Lincoln Continental 4 door pillared hardtops (Model 53). These much needed parts are now available to protect your vehicle against the noise and the weather. The seals are sold for front and rear doors separately. The weatherstrips install in the chrome channel on the upper half of the door openings. The seals replace factory numbers C4VY-53513B16-B and C4VY-53513B17-B. Our weatherstrips have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
