Steele Rubber Products Announces

New Back Window Gasket for 1954 Chrysler & Dodge

Steele Rubber Products Inc. announces new back window gasket for 1954 Chrysler and Dodge Special Club Coupes (part #70-3129-81). This much needed part is now available to protect your vehicle against the noise and weather. The weatherstrip has the correct extrusion and is complete with molded corners like the original. Our seals have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
