Steele Rubber Products Announces

New Vent Window Seal for Dodge & Plymouth Post Models

Steele Rubber Products Inc. announces a new vent window weatherstrip for 1963 full-size Dodge & Plymouth 2 door and 4 door post sedans and wagons. This much needed part (Part #70-3040-55) is now available to protect your vehicle against the noise and weather. The weatherstrip is completely molded including the division post like the original. This part replaces factory #2160680-1. This seal has an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.
